### BRICKLAYERS HOST NATIONAL BROADCAST FOR WCPT-820 AM

WCPT-820AM brought its “Labor Live Panel” broadcast to the Bricklayers BAC-ADC Local 1 in Elmhurst recently and discussed many topics including 1) Defeating Right to Work For Less in Illinois; 2) The value of Apprenticeship Programs; and 3) Labor-Management collaboration within the union construction industry.

Moderating the show was Thom Hartmann, and the three-hour broadcast was comprised of many industry leaders including CISCO Board members Jim Allen, President of the Bricklayers and John Daniel, Business Manager of SMART Local 265, as well as Matt Gugala, Vice President of SMART Local 265; John Spiros, Business Manager/Secretary-Treasurer of Painters District Council 14; and Jeff Eppenstein, Vice President of Roofers & Waterproofers Local 11.

*In a discussion that involved the myths surrounding disharmony between Labor and Management, the panel (left to right) John Daniel, Matt Gugala, Thom Hartmann and Jim Allen disagreed with that perception.*

*John Daniel said “that labor and management make decisions on training, safety, health & welfare, pensions and benefits in a cooperative fashion on a regular basis. We walk in harmony to the benefit of the construction industry.”*
