

Please join your IMSCA colleagues in honoring

Senator Mulroe and **Leader Arroyo** advocated tirelessly on behalf of the Illinois subcontracting industry for the passage of Retainage Reform (SB 3052). Retainage Reform has been a top priority for the subcontracting industry for many years. Due to their sponsorship of SB 3052 and hard work, passage of this legislation became a reality. There are not two legislators more deserving than Senator Mulroe and Leader Arroyo to each be named IMSCA's "Legislator of the Year".

Join your colleagues in showing the subcontracting industry's appreciation for the passage of Retainage Reform in Illinois!

This event is sponsored by IMSCA and is free to attend. RSVP required.
