**LORI E. LIGHTFOOT**

MAYOR,  
CITY OF CHICAGO

PRESENTATION:  
CISCO SCHOLARSHIP AWARDS

FRIDAY, APRIL 24, 2020  
IBEW LOCAL 134 HALL

2722 S. MARTIN LUTHER KING JR. DRIVE., CHICAGO, IL 60616  
REGISTRATION: 11:00 A.M. LUNCH/PROGRAM: NOON

### ABOUT THE SPEAKER:

**Mayor Lori Lightfoot** - Mayor Lightfoot was elected as Chicago's 56th Mayor in April, 2019. Before becoming mayor, Lightfoot worked in private legal practice as a partner at Mayer Brown and held various government positions in the City of Chicago. Most notably, she served as President of the Chicago Police Board and Chair of the Chicago Police Accountability Task Force.

Lightfoot was born in Massillon, Ohio, the youngest of four children. She is a graduate of Washington High School in Massillon, where she was a trumpet player in the school band, point guard on the basketball team and yearbook editor. She was elected high school class president three times.

Lightfoot's initiatives as Mayor of Chicago involve, affordable housing, education, transportation, reducing urban gun violence, jobs, consumer protection and transparency.

Lightfoot's economic plan to reinvest in the south and west side sides of the City will be complemented with major, transformative construction projects underway such as The 78, Lincoln Yards and the Obama Presidential Center.

In addition, more than 30 high-rise projects that include Vista Tower, One Chicago, 1000M and Wolf Point East are underway as Chicago experiences more of the construction boom that began several years ago. New construction jobs, vigorous recruitment of a diverse workforce, and revitalizing communities and neighborhoods are the goals that the union construction industry and Mayor share.
