Keynote Speaker

Kwame Raoul, Illinois Attorney General

Attorney General Kwame Raoul was sworn in as the 42nd Attorney General of Illinois in January 2019. Born in Chicago to Haitian immigrants, Raoul brings a lifetime of legal and policy experience, advocacy and public service to the Office of the Attorney General.

Before he was elected in November 2018, Attorney General Raoul spent 14 years serving as a state senator representing the 13th legislative district. As a senator, Raoul led negotiations and sponsored many significant measures that became law, including criminal justice reform, workers' compensation reform, and some of the strongest voting rights protections in the nation. As the state's chief legal and law enforcement officer, Attorney General Raoul has demonstrated a commitment to protecting Illinois residents by leading the "people's law firm."

CISCO, which represents 140,000 union building tradesmen and women, as well as 8,000 union contractors, is proud to welcome Attorney General Raoul. His track record of defending workers rights is solid and he is making sure that companies doing business in Illinois follow laws that require workers to be fairly compensated for the hours they work. Attorney General Raoul has sent a strong message to rogue contractors that cheat to compete. In addition, his efforts have leveled the playing field for reputable contractors who follow prevailing wage laws while bidding on projects, and invest in worker training and safety.
